

## Application for Admission

### Undergraduate Study in Computing in English (USC in English)

This is an official call for application of international students to the Faculty of Electrical Engineering, Mechanical Engineering and Naval Architecture (later in text FESB), University of Split, for Undergraduate Study in Computing in English (USC in English, FESB, University of Split). These are minimum requirements for admission. The Faculty reserves the right to enforce higher requirements as needed without notice to meet the faculty's enrollment needs.

#### 1. Entrance requirements

Entrance requirements are equivalence of Croatian secondary school (high school) diploma and fluent English. Completed secondary education (duration of previous education should be at least 12 years) with the state graduation result expressed in percentage based on which candidates are ranked in the home country and transcript of records of finished previous education is required. Non-native speakers of English are encouraged, but not required, to submit to the FESB the results of a language proficiency test such as the TOEFL (Test of English as a Foreign Language), International English Language Testing System (IELTS) or Certificate in Advanced English (CAE)

#### 2. Qualification awarded

Obtained academic degree is Bachelor's Degree in Computing with academic title Bachelor of Science (BS) in Computing upon successfully finished the 3 year study program.

#### 3. Required application components:

- a. A completed application form (available on [foreign.fesb.hr](http://foreign.fesb.hr))
- b. Certificate of nationality (for Croatian nationals) or a passport photocopy (for foreign nationals)
- c. Birth certificate
- d. Two photographs (35 mm x 45 mm)
- e. Originals or certified copies of degree certificates and their official translation to Croatian language (it can be also obtained later on). Applicants having completed their prior education abroad are obliged to submit the decision on recognition of foreign qualification (more information on: [http://www.azoo.hr/index.php?option=com\\_content&view=article&id=2702&Itemid=92](http://www.azoo.hr/index.php?option=com_content&view=article&id=2702&Itemid=92)) after the admission.

4. **Number of available places: 30** (if the number of applicants exceeds 30 FESB reserves the right to organize entrance exam)

**5. Annual tuition: 3.500,00 EUR** (net amount, bank charges have to be paid by the payer)

Total duration of the study program is 3 years. The payment must be done within two weeks from the date of receiving formal letter of acceptance in an electronic format. Failure to fulfil this condition may result in withdrawing any acceptance issued or future dismissal from the Faculty of Electrical Engineering, Mechanical Engineering and Naval Architecture, University of Split.
